

PEATC, in collaboration with the Virginia Department of Education, is pleased to announce our 2021 Family Engagement Symposium entitled **"Together We Win and Students Soar."**

This year's Symposium will continue to create synergy and robust systems of support for all parents and caregivers of school-aged children (PreK-12th grade), especially children who receive special education services, new and experienced educators, administrators, Title 1 coordinators and community partners around authentic collaborative engagement for student success.
