

Self-Determined Students:
Successful Students, Successful Schools:
Developing a Self-Determined Classroom and School District

Self-Determination is a best practice in education. It puts the student at the center of their own lives and prepares them with critical life skills.

Self-Determination enhances the long-term success of school-wide initiatives and Tiered Systems of Support makes self-determination accessible for all students.

March 24, 2017

8:30 am to 12 Noon

George Mason University, Prince William Campus, Colgan Hall
10900 University Boulevard
Manassas, VA 20110

School personnel from the following school districts are invited:
Alexandria, Fairfax, Loudoun, Manassas City, Manassas Park,
Prince William

This training provides resources and strategies for schools divisions to:

- *Learn Why Self-Determination is Critical for Students with Disabilities.
- *Learn How Virginia School Divisions are Promoting Self-Determination.
- * Learn New Ideas for Self-Determination Activities

*Learn How the Core Expectations for Students through Tiered Systems of Support and Core Components of Self-Determination Strengthen and Support Each Other.
