The J and The Washington Group Special Care Planning Team invite you to a workshop on respite and day programs for individuals of all ages with special needs. This workshop will showcase various respite and day programs offered in the area as well as a discussion on both the Individual and Family Support Program and the Virginia Lifespan Respite Voucher Program. Every person's situation and needs are different. We hope that by showcasing different opportunities and possibilities, it will help to identify the best option for you! **There will also be a respite and day program focused resource fair.**

Who Should Attend? Individuals, families, case managers, and community members who want to learn about respite and day programs for individuals with special needs.
