## TWO CHOICES OF SESSIONS:

October 25: 9:00 am-10:00 am

**or**

October 26: 4:00 pm-5:00 pm

## COME WITH IDENTIFIED NEEDS. LEAVE WITH RESOURCES.

During this session specific strategies for improving literacy outcomes of K-12 Students with Dyslexia and struggling readers will be discussed. Participants will leave with the knowledge and resources to bring these approaches into their division's strategic planning.

## WE ARE HERE TO SUPPORT YOU.

Under the guidance of the VDOE, the GMU Training and Technical Assistance Center (TTAC) provides professional learning, resources, and technical assistance to educators in Region 4. We consist of professionals with backgrounds in literacy, high leverage practices, assistive technology and multi-tiered systems of support. Learn about the various ways we can support you, at no expense to your school division.
